

VA SCI Telehealth Services -

- * Brings you greater and improved healthcare satisfaction.
- * Improves travel costs and time savings.
- * Improves communication with your primary care provider.
- * Empowers Veterans to have better control of their Healthcare choices.

“Be The Center Of Your Healthcare”

VA SCI Telehealth Health Mission:

To coordinate the right care, in the right place, at the right time using Telehealth technology. Connect with your care provider using phone and Video.

VA SCI Telehealth Health Vision:

For all SCI/D Veterans to receive the appropriate healthcare where and when they need it most.

Enhancing the ability of the clinician to provide improved healthcare services to the SCI veteran utilizing Telehealth technology.
